

Being on the edge of the New Forest National Park and less than 10 miles from the sea, there is a host of sports and activities available to keep all age groups happy. Whether it's a day at the beach, horse riding through the forest, deep sea fishing or simply enjoying the countryside, you will never be at a loss for things to do.

There are many riding stables in the area. If you would like to bring your own horse, we can provide grazing or arrange nearby stabling.
